

Dear Network Partners,

Croatian Chamber of Economy, County Chamber Split in partnership with the Technology Transfer Office both part of the Enterprise Europe Network are organising

*a brokerage event: “**Tourism@GAST**”*

*on the **5th** of March 2010*

during the international GAST fair in Split, Croatia (3rd - 7th of March 2010).

Split is for the 15th time hosting an international gastronomy fair. This fair is considered the most important gastronomic event in Croatia, and it represents a meeting point of numerous foods, beverages, hotel and hospitality equipment producers and merchants, and it is recognized as a key spot of touristic season logistical contracting. For more information about the fair we invite you to visit their web site at: www.gastfair.com.

We are hence hosting a matchmaking event within this fair between companies of the tourism and gastronomic interests (foods, beverages and hotel and hospitality equipment). This will be a unique chance for meeting Croatian and international companies providing diverse services in this sector.

Especially in the following application fields:

- *Tour operators and agents*
- *Hotels, motels and camping sites*
- *Health and spa resorts*
- *Agro and eco tourism,*
- *Active tourism,*
- *Traffic (bus, railway and air)*
- *Insurance and financing activities*
- *Investing in tourism*
- *Catering facilities: food and beverages*
- *Gastronomic supply and demand*
- *Internet tourism*

Why participate?

- You will have the possibility to meet potential partners during pre-scheduled one-to-one meetings and discuss cooperation possibilities
- You will initiate contacts to develop commercial and technological partnerships
- You will find about the latest trends
- You will have additional networking possibilities
- *This brokerage event is **free of charge** for participants, and you will also get a **free visitor's ticket** for the main fair.*

If you and the companies you present would like to join us, the application form will be sent to you upon request. Also if you need any additional information, please do not hesitate to contact us. Please find the contact information below.

Programme will be presented in January 2010.
